Remarks

Applicants have included a cancellation of claims 1-11, as requested in the *Notice of Non-Compliant Amendment* dated February 4, 2005. With this "corrected" paper of "amendments to the claims", applicants believe that the case is now in proper form for review by the Examiner. Should any questions remain, the Examiner is invited to contact applicants' attorney at the telephone number listed below.

Respectfully submitted,

Shrenik Deliwala
